Dear Mark Hicks,

Thank you for your generous Grant donation of \$600 to Boys & Girls Clubs of the Sandhills. This donation will truly help change the lives of so many children in our community. It will help us fulfill our mission to inspire, enable and educate young people from all backgrounds and circumstances, to realize their full potential as productive, responsible and caring citizens.

Many good things are happening at the Boys & Girls Clubs of the Sandhills, thanks to the support of good people like you. Our young people are having fun in our summer program, enjoying sports in the gym, learning in the computer lab and being creative in the arts and crafts room. It is a wonderful feeling to know that there is a "positive place" for our young people to go.

Again, thank you for making it all possible. If I can be of further assistance, please do not hesitate to call me at 910-692-0777.

Sincerely,

A handwritten signature in black ink, appearing to read 'Brandon Kivett'. The signature is fluid and cursive, with a large, sweeping initial 'B' and 'K'.
